buttons of his shirt, slipping my hand over his toned, hairy chest. His tongue thrust into my mouth as he pulled me close and the bulge of his hardening dick pressed against my crotch, making my cunt tingle even more. I eased open his trousers and delved inside his pants, enveloping his growing cock with my fingers as he undid by blouse and flicked the clasp on my bra.

My tits aren't particularly big but they're firm and the nipples get really swollen when I'm turned on, and boy, was I turned on now as Terry bent his head and sucked one juicy teat into his mouth. I dragged his prick clear and slowly began to masturbate the shaft until he was rigid in my hand. It was bigger than my boyfriend's and I must admit I couldn't wait to get it inside my already wet twat. We moved over to the settee, Terry kicking off his trousers as we did. I wriggled my skirt up to my waist so he could see my black stocking tops

and pink satin panties. Dropping to his knees, Terry plunged his head between my thighs and started to suck on my pussy. I spread my legs as my new lover attempted to poke his tongue into the entrance of my still covered slit. Terry's hands reached up and gripped my boobs, tweaking the nipples as he continued to slurp on my sodden knickers. Yanking down my wet undies, Terry clambered between my quivering thighs and aimed his twitching prick at the gaping opening to my twat. Shit, I wanted a fuck, so I swirled one finger around in the folds of my fanny like a slut. Terry thrust forward, burying his rock hard dick straight up my slit, making me gasp with lust. I wrapped my stockinged legs around his waist and pulled him into me until his heavy balls slapped against my hole. I didn't want a nice slow screw but a hard frantic fuck, and that's exactly what I got as Terry began to hump me like a wild thing, gripping my arse cheeks and ramming his cock in me hard and fast.

He was so frenzied, we tumbled onto the floor with that lovely prick still wedged in my gash and one of his fingers jammed into my bumhole. Rolling around on the carpet, I bucked and writhed beneath his pumping and plunging dick, mauling my own breasts continued slamming my aching pussy with his thick meat until he groaned loud and long, dragged his glistening shaft from my cunt and climbed up my body so his twat scented meat was no more than an inch from my mouth. I slid my lips over his slippery member and sucked just as he jettisoned his first load of spunk down my throat. I gulped his seed down as he fired round after round into my eager mouth, nearly choking me as he fucked my gob.

We both fell back on the carpet exhausted, panting from our rough hard screw before I cleaned myself off and Terry called me a cab. The memory of that hard fuck still makes me wank like mad when I think of it!

Dear The Lounge,

I fix computers in people's homes for a living, and most of the time it's fairly boring, as you can imagine, but now and again it throws up some moments that make it all worthwhile. I arrived at a posh house on the outskirts of town last week to fix some Internet connection problem for a woman called Sonia and I must say, I wondered if this was my lucky day when she opened the front door. She may have been in her mid to late thirties, but Sonia had obviously looked after herself, as she sure looked hot in her tight tracksuit, with her long blonde hair and ample chest. I got to work on her computer while she went upstairs for a shower, as she'd just been for a jog.

I fixed the problem in a few minutes, to be honest, but noticed she had a file called 'Smut' on her desktop. Okay, it wasn't very professional I know, but I opened the file and was amazed at what I saw. Basically, it was a collection of photos of Sonia dressed like a tart in stockings and heels, posing around the house. They were quite tame at first but my cock began to swell as I reached one of Sonia with her legs wide open on the sofa and a big black dildo embedded in gash. The next one had her in the same position but this time the dildo was buried deep in her arse! Fuck, she looked awesome! I sat there staring at the filthy display in front of me, totally unaware that the real thing was standing

Dear The Lounge,

When my mate Janice suggested we went speed dating for a laugh, I really wasn't sure it was such a good idea. But after a few drinks and a dance I was quite looking forward to it, even though I've got a boyfriend.

The first few guys who came over for a five minute chat were either thick, ego-maniacs or had bad body odour, so when this handsome bloke called Terry sat down I wondered why he needed to go speed dating to pull. Turned out he too was at a loose end and fancied a bit of fun.

I decided there and then to give him some and, after a few more drinks, we ended up back at his flat. Normally, I don't mess about, but my boyfriend had left me to go on a lad's holiday and I was pretty sure he'd be chasing some big titted girls around town, so what the hell!

When I first kissed Terry and he slid his hand around my waist in the kitchen, my pussy tingled with excitement, and I slowly undid the

I clicked on the next Jpg as Sonia came and stood beside me. I could smell her perfumed shower gel as she placed her hand on my shoulder just as the next image opened. The screen filled with a picture of Sonia on all fours, now with three fingers pushed inside her twat. She was smiling at the camera and you could even see her fanny juices glistening on the parts of her fingers still visible. My dick was rock hard by now but got harder still as Sonia's hand slid down my body to the bulge in my crotch. She gripped my rigid cock through my jeans and squeezed it good and hard, her fingers tracing its outline sensually. Sonia's dressing gown was gaping open and, as she kneaded my throbbing prick, I could see her large naked breasts swinging invitingly, inches from my face. Sonia clicked the mouse on another picture and I nearly came in my pants as I ogled my companion's spunk-coated face, the tip of a big cock, smeared in jizz, resting against her splattered lips.

I continued to stare as Sonia expertly dragged my meat from my trousers and wanked it gently, pushing her tits towards my face so that I could suck one large, swollen, nipple into my mouth. As I ran my tongue over that lovely, soft, warm flesh, Sonia clicked on another picture. This time it was a close up of some guy slurping on her

sodden cunt. He had a finger in there too and Sonia was pulling the lips of her pussy wide apart so the camera could see right inside her love tunnel. As I strained to see the photo, Sonia knelt beside me and turned the swivel chair slightly so she could get at my twitching shaft.

I sighed as she sucked my knob into her mouth and began to masturbate me at the same time. I groped for her tits and pressed them either side of my balls as she bobbed her head faster and faster up and down my cock. I clicked on one more photo and this one featured the filthy slut Sonia trying to suck on two huge dicks at the same time, her cheeks stretched to bursting so you could actually see the outline of a knob through the taut skin.

At this point Sonia took my whole shaft to the back of her throat and I came. She pulled my cock clear at the last moment and I watched as my seed splashed her face, splattered over her tits and dribbled down her still wanking hand.

As I recovered, I realised I hadn't even kissed the horny Sonia and it turned out I never would!

Sonia was happily married but enjoyed the odd dalliance with strangers. As I climbed into my car after a somewhat hurried goodbye, I did wonder if, even as I drove away, she might be downloading a few new images from some hidden camera of my dick wedged in her mouth?

behind me in the doorway. "There are ruder ones than that!" she suddenly said, scaring the shit out of me. I didn't know what to do and stuttered some apology for looking at her pictures. "I don't mind," Sonia purred, "look at the others if you want?"

A woman with long brown hair, smiling, posing with her arms raised behind her head. She is unclothed, showing her breasts and a small belly button piercing. The background is a dark, textured stone wall.

What a sight Katie Thornton is this month, with though massive juggernauts of hers raising a few eyebrows, as well as a few other things, around the office. We discussed it at length and we're all sure that they've got bigger since the last time we saw her. We'll have to wait till she pops them out of her top before we make our minds up! "What's not to like about owning a nice set of titties, they're basically a free ticket to anything I want. I once had a guy take such a fancy to them that he whisked me away on a private jet for the weekend. I'd only met him at a bar on the Friday lunchtime and by dinner time we were in Paris drinking champagne. He spoilt me rotten while we were there, but then again I did return the favour quite a few times, he got his moneys worth!" We've got dirty minds over here at Club so we can only imagine what kind of 'favours' he was treated to. "If your pervy little minds can think of it, I probably did it!" Katie, you're Club through and through!

PROOF POSITIVE THAT GIRLS TAKE POLE DANCING LESSONS TO GET SOME HOT GIRLON- GIRL ACTION!

Last year I took pole dancing lessons, for two reasons – one, it can never do a girl harm to be more sexy and two, it's a great place to pick up like-minded women! But little was I to know that's what our instructor thought too... After three or four lessons I was getting frustrated at the lack of after-class pussy eating action and thinking of jacking it in, but

I went one more time for one last throw of the dice.

As usual, by the end of the session I was as horny as a rosebush; my pussy damp from all the sexy dancing I'd been watching and spread wide from rubbing it up and down the pole.

My teacher, Katie, had been giving me plenty of encouragement – she seemed about the only woman there who was interested in me doing my thing and as the lesson ended I'd

decided that I wouldn't be coming back next week. "Susy, can I see you after class?" Katie said as we wrapped it up. "You didn't look like you were having a good time out there," she went on after everyone else had left. "Do you want to talk about it?"

There was something about the way she looked at me when she asked that last question that made me stop for a second –

“Flicking her tongue over my clitty, she fucked me with each thumb, pumping them in and out alternately, pulling my hole open, grinding them around against each other.”

under my thigh, the other on my back.

“I can see where you’re going wrong already,” she whispered. “You need to relax more. Try it, relax your body some more. Don’t worry, I won’t let you fall.”

I let myself go a little bit – I was now leaning back like we were dancing together and Katie was running her hand up my thigh, her mouth inching closer to mine. Then she kissed me, eyes wide open, her tongue exploring my willing mouth.

Coming off the pole, Katie lay me down on the soft floor beneath and lay down beside me, her hand holding my head, the other still stroking my thigh, her fingers edging closer to my pussy.

“I’ve watched you closely since the day you first arrived,” she confessed. “But I wasn’t sure until today what you came here looking for. Now I am.”

Then she kissed me again and her hand found my pussy, hidden inside a leotard and leggings. Her fingers deftly rubbed my cunt through the lycra finding, my clit easily and tickling me until I was wet with desire.

I reached behind her head and pulled her deeper into my mouth, letting her know that she was right – I’d come here to eat pussy.

My hands began to work on their own, exploring the contours of Katie’s amazing body – it was so curvy! I wanted to strip her and eat her whole, to devour her. But most of all, I wanted to taste her snatch.

She sat up and smiled at me. “Why don’t we take off those clothes of yours?” she said, pulling the straps of my leotard down over my shoulders and exposing my breasts. She sucked and licked my nipples for a while, her hand still deftly stroking my pussy until I couldn’t stand it any longer and stood up in front of her, watching her as she pulled down my leotard completely and slowly rolled my leggings down to reveal my shaven, naked pussy, already gaping open from all her attentions and ready for more.

I kicked them off and stood over her, toying with my own clit and breathing deeply. Katie knelt in front of me and began to kiss my stomach and thighs, working her tongue

was she coming on to me? Was I about to go home with the instructor and her seriously toned body?

Was she going to wrap those luscious thighs round my head and grind her pussy into my mouth? I hoped so, so I said, “Yes. She we go for a drink?”

“No need to go anywhere, I have a bottle of vodka in my bag and there’s a coke machine over there. We have this place to ourselves for another two hours...”

She was definitely coming onto me!

Excellent, I thought, I am going to get some pussy out of this after all!

Katie broke open the vodka and I got some cans of coke out of the machine and we kept

topping them up with a bit more vodka after every sip. Katie said I should go through my routine one more time for her so she could see exactly where it was she thought I looked most unhappy. It sounded totally ridiculous, but knowing that she wanted me had already made me a hell of a lot happier and this was my chance to turn her on some more.

I stuck my CD in the stereo and took up my position in front of the pole, with Katie sitting cross-legged right in front of me. Giving her my sexiest look as the music started, I turned my back on her and wrapped a leg round the pole, leaning over backwards to drape my hair down to the ground.

Suddenly she was right beside me, one hand

close to my cunt. I spread my feet wider, wanting to feel her tongue on my snatch. Turning me round, Katie told me bend over and I held onto the pole for support, opening my legs wide enough to give her room. Her fingers ran over my cunt, spreading my juice and rubbing it into my clit. Then her tongue followed suit, licking me from my clit

“She slowly rolled my leggings down to reveal my shaven, naked pussy, already gaping open from all her attentions and ready for more.”

to my hole. She spread my cheeks apart and buried her tongue as deep inside me as she could get it, winding it round and around and sending shivers of ecstasy through my body. I looked down to see her stand up, and she ran her hand up my thigh and slid two fingers inside my cunt, gripping my buttock with her thumb and palm. “You have very well-toned buttocks,” she said, kneading them roughly. Slapping me on the arse, she pulled me gently up and we kissed long and hard as I wrestled her out of her clothes. Katie’s body was incredible, she was a mix of curves and toned muscle – I wanted to fuck her brains out! “You have the most amazing body I’ve ever

touched," I said, stroking her stomach and letting my fingers wander down to her warm pussy. They slid inside her easily and then Katie wrapped a calf around the pole and I squatted in front of her and began to noisily eat her out, sucking her clit and hood into my mouth and delving inside her cunt with my tongue.

Katie's moans and groans were loud and she spurred me on. I slid two fingers inside her and fucked her hard with them, licking and nuzzling her clit, knowing from the amount of noise she was making that she was close to orgasm. When she came, I had four fingers up her pussy and was grinding my thumb against her arsehole, my tongue pressed firmly against her clit.

"You don't know how long I've wanted to come on your face," she said when she had calmed down.

"About as long as I've been coming here?" I laughingly asked. "I know because I've been wanting some pussy eating action myself since the day I first turned up!"

"So now it's your turn. How do you want it?"

Asked Katie. I lay back down on the mat and spread my legs good and wide.

"I want your fingers up my cunt and your tongue on my clit," I said as Katie knelt between my thighs. I wrapped my legs around her head and bucked against her attentions.

Instead of fingering me, Katie held my arse cheeks and slid both her thumbs up my hole. Flicking her tongue over my clitty, she fucked me with each thumb, pumping them in and out alternately, pulling my hole open, grinding them around against each other – it was amazing! She had me so turned-on I had to reach back and grab hold of the pole for support, pulling back on it to give me more room to thrust my cunt back into her face. And that's how I came, grinding my pussy into her face, pulling hard on the pole behind me, whimpering through an orgasm I'd been waiting weeks for!

Of course, I've been going back every week, and now I get special one-on-one lessons after class. Strange how I'm still not a great pole dancer, though...

Tattoos are becoming more and more common nowadays, which is great, but it means more girls out there are walking around with stupid inkings plastered all over their once flawless bodies, such a waste. Lauren Brock is an exception with all of her tats having a deep meaning to her and only further enhancing her tight hot body. We do have a small problem though Lauren, is that a Woody Harrelson from Natural Born Killers tattoo that we can see, please explain?!!!! "Hmmm, yes it is! I'm glad you can tell it's him, just goes to show how good the artist was. Basically, I was drunk with my mates in Magaluf and we all decided in the spare of the moment to get an inking of our celebrity crush. Obviously I chose Woody, I do love my bald men, just as long as they've got nice smooth balls to match for me to suck on. In an ideal world I'd be tattooed from head to toe."

We'd like to give a warm welcome to Lily G who is not just making her Men Only debut, but she's also making her first appearance in a Paul Raymond magazine. Now, there's usually three things we like to take note of on a woman. Let's start with the boobs. We like them big and bouncy or small at pert with a rock-hard nipple calling out to be nibbled on. Next up is a nice arse to squeeze and play with, a cheeky finger up the bum hole is a bonus. And lastly a plump pussy, dripping with juices ready to be penetrated. Lily G has got all of those in abundance, but she's also got us thinking, we'd really like to suck on those toes of hers. "Feet are really important to me. If you want to fuck me you're going to have to put in some serious time on them, massaging them with some essential oils and then playing with each and every toe with your hands and your lips. It's only happened once before but one guy actually managed to give me a mind-blowing orgasm just by sucking my big toe. It was incredible"

We love new girls over here at Men Only, especially when we get to watch them swimming around naked and posing seductively around the pool, whilst we were relaxing on sun loungers and sipping (more like chugging) from cans of ice-cold beer. Not a bad way to make a living eh? Probably not what the school education counsellor had in mind for a career though! The lovely lady in question is Lunar Amor and it seemed fitting to pick a swimming pool for the location as she has been gifted with her

very own set of floatation devices, health and safety on a set is very important to us after all. "That's funny! You know that they actually don't float, in fact when I swim around naked they're more of a hindrance than a benefit to me. My version of the breaststroke is certainly different to everyone else's, but I can't complain about the amount of attention that comes my way as I splash through the water. Swimming is overrated anyway, I can think of much more fun things to do when you're naked in a pool." So can we!

Dear The Lounge,

My name is Mark, I'm 36 years old and divorced. The other evening, my son had a few friends of his round at my house. And one girl in particular caught my attention – an attractive brunette of about 19 years old, with long brown hair and a petite, busty build. The following afternoon, I was in on my own when the doorbell rang. I was surprised when I opened the door to see, standing there, the girl who'd caught my eye the previous night. "Hi," she smiled. "I'm Fiona. Did I, by any chance, leave my mobile here last night?" she asked. And indeed she had.

Welcoming her in and taking her coat, I was thrilled to see that Fiona was dressed like a slut in a red PVC miniskirt, black stockings, shiny black high heels and a bulging, black PVC bra top. Naturally, my cock started to stiffen up as I eyed her gorgeous legs and shapely young body.

"Thanks," Fiona giggled as I handed her the phone, giving me a look that said more than a thousand words ever could.

"Fancy a cuppa?" I managed to say, despite my face having turned bright red as I realised Fiona was well aware of the swelling in my jeans.

"I caught you looking at me last night," Fiona smiled sluttily. "I hope you didn't have a wank over me and empty your balls of spunk, you naughty boy, as I'd love to play with your hard cock and make you come myself."

I was left speechless as Fiona brushed her hand over the front of my jeans, rubbing my hard on and tracing the outline of my dick through the rough material.

"Forget the tea," grinned the sexy little strumpet, "let me drink from your dick." With that, she lifted off my T-shirt and ran her hands over my body. Kneeling in front of me, Fiona's nimble fingers quickly undid my flies. She pulled down my trousers and boxers, making my throbbing erection spring out in her face.

"Lovely cock," she murmured as she gently wanked me off and squeezed my balls. I gasped as filthy Fiona swirled her warm, wet tongue over the swollen purple helmet of my pulsing cock and licked up and down the length of my throbbing, veiny shaft, murmuring her pleasure, enjoying the taste of my man meat.

Taking my cock into her mouth, she vigorously slid her lips up and down my straining knob. As she sucked eagerly on the bulbous head of my cock, she tugged the base of my shaft, while I ran my fingers through her long brown hair and held the back of her head.

Within a couple of minutes, Fiona's expert sucking and wanking had brought me to my limit. "I'm going to come, Fiona," I yelled. Fiona looked me straight in the eye as she greedily gobbled my dick, silently urging me to finish off in her mouth. A second later, I groaned as my cock twitched and exploded between Fiona's lips, flooding her hungry

throat with a full load of hot, creamy spunk. "Mmm," purred the saucy minx as she gleefully swallowed my cock jam. Pulling my spasming dick out of her mouth, more sperm jetted out of my penis and splattered onto Fiona's face and neck.

"Yes, oh yes, that's it," said the dirty young slut. "Shoot your delicious come all over me," and she squeezed the bell end of my wilting prick and licked my sticky cock clean, milking it for all the jizz she could tease free and rubbing it around her mouth, behaving like a total and utter slut.

"Now, you naughty boy," said Fiona as she scooped my sticky white come from her face and licked it off her fingers, "it's bed time for you and me."

Taking my hand, she led me upstairs to my bedroom, her firm arse wiggling around in front of my face like two melons in a sack race. As we climbed the stairs, I could see where the tops of her raunchy black stockings met her naked, milky white thighs. I couldn't resist slipping a hand under Fiona's miniskirt and squeezing and fondling her taut bum cheeks, making her giggle and sigh in delight as I touched her up and stroked her slit.

In my bedroom, Fiona unclipped her black PVC bra, allowing her firm, round tits to spill out. Next she unzipped and dropped her red PVC miniskirt, and finally she peeled off her skimpy black panties to bare her shaven pink pussy. Naked, except for her silky black stockings, Fiona lay back on my bed with her legs wide open, fully exposing her fleshy pink cunt to me.

"Come and play with me," Fiona said sexily, urging me to join her on the bed with her big, sexy eyes. Cupping her ripe young tits in my hands, I licked and sucked her erect pink nipples as she laughed and gasped, encouraging me to go further when I tweaked her nipples roughly between finger and thumb.

Moving down her lithe young body, I slid a hand between her thighs and finger fucked her wet, juicy cunt.

Fiona moaned as I roughly poked my fingers in and out of her hot hole, working them rhythmically and loving the way her juices spread out over my fingers and thumb until my hand was drenched in pussy goo – I tickled her clit with my thumb, making her writhe in ecstasy as she came all over my hand.

"Taste my pussy, Mark," urged Fiona. "Be good to me and lick my cunt out," she begged. Pushing my face between her legs, I poked my tongue inside her tasty pink slit and lapped at her swollen clit. Fiona

orgasmed quickly, wailing and thrashing about on the bed as I licked her juicy twat to several powerful climaxes, drenching my face in her girly come. Wrapping her stocking clad legs around my hips, I pressed the head of my hard again cock against her soaking pussy lips.

"Put it in me," screamed Fiona. "Ram your monster cock right in – fuck me as hard as you can!"

I drove my rock hard shaft all the way up

her tight, young pussy hole, stretching her fanny walls wide open. I fucked the horny little tart with hard, fast strokes, pumping my cock in and out of her soaking wet fanny.

Fiona locked her arms and legs tighter around my body to get my rock hard prick as deep inside her cunt as possible. "Oh yes, yes, give it to me!" she screamed.

"Fuck me harder!"

Minutes later, Fiona squealed as my cock erupted, pumping her cunt full of hot, sticky spunk. As I pulled out of her pussy, more creamy white jizz fired onto her sodden pussy lips. Pushing my cock into her face, Fiona licked and sucked my sticky prick clean, eagerly lapping up what was left of my come. We lay naked in bed for a while before Fiona got dressed again.

Since that afternoon, sex mad Fiona has been coming round to my house at least once a week for hard, steamy shagging sessions with me, and, as you can imagine, I'm having the time of my life bedding the horny 19-year-old slut!

ZARA MAE

Some models are just naturals in front of the camera, and from the way Zara tweaks her nips and plays with that pussy of hers, it's pretty clear she was born for this shit – and she's certainly got the frontage to go up against any of the other girls from the Paul Raymond stable. You could say she's the complete package. "Wow, you guys are full of compliments today. The last time I was here you were a right bunch of miserable bastards." Really? That couldn't have been us. "Yep, I recognise the lot of you. Mind you, the last time I was here I was just popping by, it was a flying fully-clothed visit." Well, that makes complete sense then, the boys were probably just upset that they didn't get to see you in your full glory. Just look how happy they are now after witnessing your masterclass in posing, they're changed men. You've made their whole week. "I do try my best!"

Peachs

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

My boyfriend is in the Navy. That means that I spend an awful lot of time on my own – and because I've promised to be faithful I have to find other ways to amuse myself. I think you can probably guess that that means.

I masturbate. A lot. Sometimes I'm so excited, so desperate for a fuck that I can cum so quickly I barely have time to think about anything or anyone – usually if I'm in the shower in the morning feeling the hot stream of water running over my pussy. I'm just so horny that that's all I need.

But when I've got the time – when I'm lying in bed alone on a Saturday morning – there are plenty of things that I think about. I can always tell when I need to touch myself because the ache in my fanny gets unbearable. I wake in the morning to find I've been dreaming about stiff cocks all night and I'm already wet between my legs. And I know exactly what I'm about to imagine.

Normally when he's away I fly out to a port to see him. Sometimes they have parties for the locals on the submarine, and the crew have to be wearing their uniforms – if it's somewhere hot, then they'll be kitted out in sexy white outfits. When I get turned on, I can't help thinking about these evenings.

Patrick is an officer, so he has to talk to all the guests and leaves me to talk to the other sail-ors. I always dress up – not tarty, but still showing my body off – low cut tops, tight trousers that stop at the hip, so that if I bent over you'd just be able to catch sight of the triangle of my G-string.

While he's making conversation, I get chatting to all the young lads, who I know just can't take their eyes off my arse and breasts. When I think about them looking at me, my snatch gets wet instantly and I like to imagine what they could be doing to me if they were able to fuck one of the officer's girlfriends. The more I think about it, alone in my bed, the easier I find I can slip my fingers into my pussy. But the best bit is what happens next. It gets to-wards the end of the evening, and Patrick is looking over at me, looking at me like he wants to shag me right there. The party is almost over, and the sailors are all clearing up, when he grabs me and suggests we go on a little tour of the submarine, and I know he's going to take me to the room at the end of the boat where we won't be disturbed.

As I'm masturbating I'm thinking how large his cock is. He's got his hands all over my tits, reaching down my back to my arse, sticking whatever he can into me. I imagine when I'm wanking that he's about to be inside me any minute, and my fingers are rubbing at my clit, my body writhing against my hand. Then he's bending down, pulling off my trousers and my top so I'm just standing there in my little lacy thong. He snaps it off and starts sucking at my juicy pussy and I'm spreading my legs apart for him so he can lick more and more of me.

The thought makes me so desperate when I'm frigging myself off, my hand isn't enough and I have to slip my vibrator inside me. I'm concentrating on the picture of him pushing me against the wall, so excited he barely has the time to get his massive prick out and start to fuck me.

“The shaft of the strap-on was two-thirds inside her pussy, and her sphincter tightened just short of my knuckle.”

He's banging me really hard when I open my eyes and there at the doorway are the sailors I was chatting up before. I don't know how long they've been standing there but I know it must have been some time because they've got their cocks out and are wanking.

Patrick can't see them, doesn't know that they are there, but I do and the feeling of being watched makes me feel totally dirty.

And now I've got an audience I play up to it, rubbing at my tits, squeezing my own nipples, riding my boyfriend's cock even harder. He doesn't realise why, but he knows I'm so wild that he can't contain himself any more and

while the sailors watch he pulls his cock out and starts to splash his spunk over my tits, my belly, my pussy. And they can't control them-selves either, wanking furiously till they cum as well.

Which is exactly what I'm doing in my bed, pushing my cunt down on the vibrator, furiously rubbing at my clit until I'm screaming even though I'm on my own, my head pounding as my pussy throbs to orgasm. I'm only wishing that they were there, watching me right then.

I recently started at Uni. My parents were worried about me being away from home as they've always been very protective. And it turns out they were right to be anxious as the first week was more eventful than I ever could have imagined. First, though, I have to confess that I was still a virgin before I came up to college. Despite all those conversations in biology about who would lose their virginity first, it turned out I was pretty far down the list. Which is what happens when your parents pick you up from parties all the time.

So it was amazing to find myself in a hall of residence, sleeping next door to blokes with no-one to tell me what time to get home. Because it was the Freshers Week, we were all supposed to joining lots of

societies, but the one thing I was determined to sign up to was getting fucked for the first time.

The best party of the week was the Latin American night at the student union. I went along with my girlfriends, all dressed up like saucy señoritas, and soon the tequila slammers were going down fast and furiously. I really fancied one of the second years, Sean, who was in charge of organising the parties and I knew he would be working behind the bar – which meant I was doing all the buying, all night.

Eventually he wandered over with a couple of tequilas and some lemon. "On the house," he said, and handed me one.

I downed it, and then sucked on the lemon. I'd been told by some geek earlier on that this was a good indication of what you were like giving blowjobs, so I tried to do it as seductively as possible. But I needn't have worried as seconds later Sean had leaned across for a snog. And the feeling in my pussy told me that he would be the first guy to get his cock right inside me.

When we got back to his place, he took total control of the situation and I was in his room and on his bed in a matter of minutes.

But instead of kissing me or reaching for my tits, he knelt down and, pulling my skirt up round my waist, ripped my tights off my

smooth thighs. I hardly knew what to expect, I was so inexperienced, but the feel of his mouth biting at my clit through my damp little knickers was unbelievable. And unlike any of the boys I'd got off with before, he knew what he was doing. Then he started to push his fingers inside me. I'd done it to myself often enough, but this was totally different, and I was surprised when they slid straight into my virgin hole. My body started to take over and I was making noises I'd never even heard before.

Then he stopped and I heard his flies being unzipped. And there was his cock in front of my face. It seemed huge, but I couldn't help reaching over to feel its hard length. Even though I was nervous, I started to suck it and was surprised how filthy it felt to have his shaft filling up my mouth.

He was helping me, guiding my hand to his balls, pushing the back of my head so I knew how to take into my mouth, groaning as much as I was. When he pulled his cock out of my mouth I knew what was going to happen. I hadn't told him I was a virgin but I'm sure he knew. But I let myself go with my impulse – which was to be fucked right now.

And then he was there, the tip feeling so big at the entrance to my pure little pussy. But the juices were dripping out of me so fast that he slipped straight in, and the brief sensation of pain soon gave way to something else as my tight muscles adjusted to having something bigger than my fingers inside me. He was screwing me really smoothly and gradually I got used to the movement, wrapping my legs around him, my virgin cunt stretched round his hard shaft. Then he rolled me on top of him and his cock felt so big it was like being split in two. But I was so wet that my fanny just slid up and down him, and he was making me even hotter by sucking at my erect nipples. Then a whole new feeling took over – and before I knew it I was having my first orgasm. As I started to moan with pleasure Sean thrust into me even harder and while I was writhing on top of him, wild with my first fuck, he came, filling me with my first ever semen. It was better than I'd ever dreamed.

I guess now I know just why they call it Freshers Week!

Being one of only four girls on my engineering course, the attention I get from the guys in seminars and lectures is nice, but sometimes a little unwanted. Unwanted in the sense that most of them are hardly Zac Efron, and think that because I'm a woman on 'their' course that I must be up for it. When I have to go for one-on-one tutorials with graduates of the course, it's the worst, as they were unable to pull as undergraduates and are still behaving that way! That's why I was so glad that the graduate most recently appointed to me was Ra-chel, a well respected female in the department.

During our first tutorial together we both got distracted as we related stories of the sad blokes who had tried to pull us. And then onto other stories where we'd got the sort of ac-tion we were looking for! We were quite confessional as to some of the naughty things we'd been getting up to, away from the department. Rachel then said, "Yeah, if we were on an Arts course we'd have the best of everything. You know, we'd have loads of trendy good looking lads, and even more women!" As my mind raced to decipher what she meant, she once again read my mind and added, "Have you ever been with a woman?" Feeling a little inadequate I replied, "No" and looked a little nervously in her direction. Her confident reply came, "I think it's time you found out."

A wave of excitement rushed over me. As we were sitting next to each other, her hand grasped my thigh, and she used it for support to lower herself onto the floor.

Kneeling down and staring into my eyes, she ran her hands along my thighs and under my skirt. Taking hold of my knickers she ran them down to my ankles, over my shoes and onto the floor. I surprised myself by my instinctive reaction to part my legs and move my bum for-ward on the chair.

The moment her tongue made contact with my clit, I could feel my nipples stiffen through my blouse. Her fingers parted my pussy lips more gently than anyone had ever done, and she began to take long slow strokes of my cunt with the flat of her tongue. I undid my own blouse, freed my breasts from my bra and pinched my nipples hard, while she began to delve her tongue into my

hole.

She lifted my thighs over her shoulders and began to French kiss my pussy, moaning and breathing as she did so. I was helpless to the tip of her tongue, as it began licking my clit forcefully, and my hands reached for the back of her head, forcing her face into my dripping hole.

Virtually lying on my back in the chair, she held the backs of each knee in each hand and, lift-ing my arse higher, began to poke her tongue into my twitching bumhole. With my hands, I spread my cheeks as wide as I could, so she had perfect access to both holes. I was covered in her saliva, as she forced her tongue up my bum, and then slurped her tongue right back round and began working on my clit with a renewed vigour. Letting out an uncontrollable moan, I shuddered to a climax, soaking her mouth with my juices. She clamped her lips around my fanny until I was totally satisfied.

I was also more than glad to return the favour, but instead she reached over for her bag and pulled out what I initially thought was just a dildo, but turned out to be a strap-on. It was then that I realised that this wasn't quite as spontaneous as I had thought. Still, I was de-termined to give her what she wanted after what I'd received.

As I strapped it on, she merely hitched up her denim skirt, got on all fours and pulled her G-string aside and over the cheek of her arse. She was soaking wet, and I slipped

deep inside easily and held her shoulders as I bucked away. She was spreading her pussy and rubbing her clit as I rode her. She then commanded, "Put your finger in my arse!"

The shaft of the strap-on was two-thirds inside her pussy, and her sphincter tightened just short of my knuckle. Holding her long hair with my other hand, she had no choice but to succumb to the pleasure in each hole, and the touch of her own fingers. Her pussy wid-ened, and I sunk further in, as she began screaming "I'm fucking cumming!" The plastic shaft slickened with her juices as she moaned her appreciation.

Getting her composure back, she slipped off me, wrapped her arms around me, and kissed me full on the lips. We lay there snogging for a good fifteen minutes before returning to her place to carry on. As you can imagine, this is still carrying on, and just like the rest of the de-partment, she has my full respect – just for different reasons!

“When he pulled his cock out of my mouth I knew what was going to happen. I hadn't told him I was a virgin but I'm sure he knew.”

Gorgeous blonde Bailey here is an 'up-and-coming porn performer' and with her all-natural curves and perky boobies, we're in no doubt she'll be mixing it with the big guns very soon. Well, if she can get through the notoriously difficult adult industry initiation period, that is. "It's soooo tough!" she told us on a recent visit to Club's HQ. "The guys are always doing these random tests on me to see if I'm up to making it in the business." Having heard from Nikki Jayne about her first shoot, and how she was made by the snapper to stand on one leg, balance a Wall's Violette on her head, and sing Dancing on the Ceiling by Lionel Richie 14 times before it melted, we were intrigued as to what bizarre challenges Bailey had faced in her fledgling career so far. "Hicks, who shot these pictures, had me tuck a fish finger behind each ear and moonwalk across the studio floor without them falling," she said, rolling her eyes. "The guy before that made me do a handstand and recite the hits of Nelly Furtado in chronological order, and then there was the time I had to suck the photographer's dick." Yes, making it in the adult industry is no walk in the park. Will Bailey make it through the tricky initiation period? Watch this space.

Sometimes you meet people, and for whatever reason their name just doesn't seem to fit their face. Some people, like Whoopi Goldberg for example, seem very well suited to their given moniker. Could Arnold Scharzenegger or Jean Claude Van Damme possibly have been called anything else? But some people just don't suit their name. Jude Law looks more like a Nigel to me, and surely Barack Obama should be called Pete. And so we come to the delectable Tina. Surely, such a gorgeous, pretty raven-haired beauty should have a far more exotic, sultry-sounding name. Something like Alexis, Giselle or Monique. There's something about the name Tina that just makes you think of some fat scruffy bird on a council estate, drinking special brew, chugging on a tab and eyeing up the local male talent for the likeliest candidate to give her a kid and a council flat (apologies, of course, to anybody actually called Tina). Somehow it just doesn't fit our lovely lass. We told her what we thought, and happily she admitted that Tina is just her modelling name. So what's her real name then? Sharon, apparently. We give up.

PAULA

FROM: CLUB 35/05

The only thing fake about Paula is her coat. We hope.

Move over Peter Burns, this is how a woman makes a fur coat look beautiful. Of course the washedup 80s pop freak turned most nauseating Celeb Big Brother contestant failed to complement his coat on two counts.

Firstly by being fucking ugly. And secondly by being a bloke. But that's quite enough of that – we don't want to spoil the moment – so let's quickly turn our attention to Paula...

"Wearing this coat makes me feel so sexy," she told us. "The fur is so soft, it tickles my skin. I keep coming over in goose bumps and the only other time that happens to me is when I'm climaxing. I could quite easily wrap myself up in this coat, start fingering my pussy and pretty soon I'd be lost in a world of my own. In fact, that's exactly what I'm going to do now, I'm going to keep playing with myself until my pussy is gushing!"

Don't do that, love – the coat's probably dry clean only!

Horny model? Check! Sofa, ready for naked posing? Check! A rather cheap looking table and chairs on the balcony? Double check! That's it, we've got everything we need for another shoot, although frankly with a girl as stunning as Natalia Forrest to shoot, we're not entirely convinced we need anything other than blank white studio wall back at the office. Still, it's a day away from the desk, staring at the computer screen, and a good excuse to expense a boozy lunch out, which Natalia will most definitely be joining us for. Who knows, with a few drinks in her Natalia might be up for round two?

Crazy movie trivia that can't possibly be true, but they are...

DOWN THE WIRE

COMPLETE REDEMPTION

Stephen King sold the rights to his novella *Shawshank Redemption* for \$5000 to Frank Darabont. However, King never cashed that cheque. In fact, he was so pleased with the film that he had the cheque framed and mailed back to Darabont. There was a note attached, saying: "In case you ever need bail money. Love, Steve."

THAT'S GOT TO HURT!!!

While filming *Roc y IV*, Sylvester Stallone asked Dolph Lundgren to try and knock him out for real. Lundgren hit him so hard that he was sent to the hospital and was in ICU for 9 days! This would have comfortably been the most notable mishap of Stallone's entire career if it wasn't for *The Expendables*, a project that included a fight scene opposite 'Stone Cold' Steve Austin, who ended up breaking Sly's neck. It did such a number on his body and after countless operations he's never been the same!

RED, OR BLUE PILL?

Those green symbols trailing down in *The Matrix* aren't complicated algorithms. A production designer scanned symbols from his wife's sushi cookbooks, then manipulated them to create the iconic "code."

BE CAREFUL WHERE YOU SWIM!

First of all, the line was "You're gonna need a bigger boat," not "we're," as it's often misquoted. The line wasn't in the original script but was an inside joke among the *Jaws* crew, teasing the stingy producers for picking a support boat that was too small to hold the filming equipment.

Actor Roy Scheider ad-libbed the line throughout filming, but the one kept in the final cut became one of the most remembered movie quotes of all time.

LITTLE EARNER!

The dog Toto was paid more than the Munchkins in *The Wizard of Oz*. The Munchkin actors received \$50 a week – which was a good wage at the time – while the mutt earned a very impressive \$125 a week.

JUST ANOTHER DAY AT THE OFFICE!

In *Thor: Ragnarok*, the "He's a friend from work!" line was actually improvised by a kid from *Make-a-Wish* who was visiting the set that day. He said, "You know, you should say, 'He's a friend from

work!'" Everyone loved the suggestion, and the rest was history.

CUTE CHILD!

In *Home Alone*, that picture of Buzz's girlfriend was actually a picture of the art director's son wearing a wig.

BLOOD MONEY!

In *Hostel*, writer-director Eli Roth came up with the premise for the film after discovering a Thai website where people can pay to torture and kill another human. It cost a mere \$10,000 to shoot someone in the head!

MOTHER FUCKER!!!

Jules' wallet in *Pulp Fiction* that reads "Bad #&\$&*@\$" actually belonged to the director—who picked it up because of its reference to the 1971 film *Shaft*. As it happened, Samuel L. Jackson would go on to play the character that inspired the wallet in the 2000 remake of *Shaft*.

YIPPEE KI-YAY MOTHER FUCKER!!!

In *Die Hard*, Bruce Willis's role was actually offered to Frank Sinatra first. Sinatra was contractually obligated to get first dibs because he starred in the film's prequel (*The Detective*) in 1968. He was 73 at the time, so he graciously turned down the role.
